

How to Make Pancakes.

You need:

110g plain flour

a pinch of salt

2 large eggs

200ml milk mixed with

75ml water

2 tablespoons melted butter

First sieve the flour and salt into a mixing bowl. Then break the eggs into the flour. Next whisk the eggs into the flour. Then gradually add the liquid. Keep mixing until the batter is smooth. Finally add the melted butter.

When you are ready to cook the pancakes, melt some butter in the frying pan. Next get the frying pan really hot. Add some of the batter and cook for a couple of minutes. You may toss the pancake to make sure it is cooked on both sides.

Add sugar and lemon. ENJOY!
